TO WHOM ITMAY CONCERN:

ESTABLISHMENT OF CHILDREN'S HOME IN GHANZI DISTRICT - BOTSWANA

This is to certify that, the bearer of this Savingram, Mrs Cecilia on behalf of Mosaico Euroafricano intends to establish an institution called Children's Home in this District. Ghanzi District Council is a Local Authority, which is an arm of Government of Botswana. It provides governance in its area of jurisdiction. The bearer of this circular has been given permission to provide the proposed facility.

The Children's Home will be utilised by disadvantaged and marginalized children not only in Ghanzi, but the Western areas of Botswana. This is a necessary facility for those children in need of care. This institute comes at the time when the Botswana Government is in desperate for these facilities. It comes as a gesture of generosity and needs to be supported. There is an understanding in the Bible which says: - "Blessed is the hand that giveth, than the one that taketh".

We definitely welcome Mrs Cecilia's kind-heartedness and generosity. May God bless her. The name will be written in the History Book of Botswana as one who has deprived herself and her family some comfort, but preferred to give to the needy course.

It is against this background that, I have no hesitation in recommending her to any kind and lavish donor or giver to please support. She is authentic and genuine, kindly help her as much as you can.

Thank you.

Yours faithfully,

GHANZI DISTRICT COUNCIL
